Judge Smith,

May 31, 2023.

With respect to you Sir. I am writing you to ask the Courts to please grant me an Extension for my 2055 motion.

I am housed in Segregation Housing Unit in which I've been at for the last past 4 years. Now since I left Michigan Department of Corrections. It's been issues at every Compound due to the individual Played at the local Holston, I do not have a Attorney. And So I am in no positions to Preveous help legally Nor do I have access to Legal Material while IN S.H.U.

I'm looking to you considering this Nature last Month. In which I've Prepared No Response. Please - grant me Extension. If there is any document I need to send to the Courts to show my Proof of Being in Segregation Housing Unit Now & Previously (within these last past 3-4 yes.) Let me know, and I will try to have my Counsel get all the documents needed (Lock Writing). I hope to hear back from the Courts / your soon! thank you for your time.

Respectfully Submitted
